EVERY LIFE. EVERY MOMENT. EVERY DAY.

MADE BETTER By Caring

GAIN INDEPENDENCE

Consumer Direct Care Network Idaho has built a national reputation by helping people gain independence with self-directed programs. These programs offer an alternative to traditional services. You become the employer of record, which gives you authority to recruit, hire and train the employee(s) of your choice.

Our Supports include

- Employer and employee training tools
- Fraud detection and prevention tools
- Pre-payment controls
- Post-payment reporting
- Participant and service provider education and training

WE START FACE-TO-FACE

Working with you, we provide fiscal intermediary services for qualifying individuals who manage their own care and are the legal employer of their employees.

Consumer Direct Care Network Idaho will assist with:

- Participant enrollment
- Ongoing participant training and support
- Participant budget activity monitoring
- Employee enrollment, including background checks
- Employee time submission
- Employee payroll
- Payments to vendors
- Spending reports, available online

Consumer Direct Care Network Idaho provides person-centered service delivery to help individuals with long-term care needs remain independent in their homes and communities.
